| 03/05/2020 |  | <b>DOCKET TEXT ORDER</b> (no separate order issued:) The court has reviewed the Motion filed by the TCC To Establish Procedures For Discovery Preceding Plan Confirmation (5840) and the Objections filed by the Debtors (5995), the OCUC (6118) and several other respondents. The obvious conflict with the clear mandate of FRBP 9031, the prematurity of the process (before the Effective Date of a Plan), and the questionable cost-shifting from the Trust to the Debtors all appear fatal to the proposal, before even considering more specific objections by others. The court intends to issue an Order Denying the Motion and an order granting the related Motion to Quash filed by Black & Veatch (5896), dropping both from the March 10, 2020, 10:00 AM calendar unless, before Noon on March 9, 2020, counsel for the TCC files a brief statement setting forth good-faith reasons why its Motion should be granted and the Motion to Quash should be denied.
